## PROFESSIONAL EXPERIENCE

**DTZ Rockwood, New York, NY December 2006 - May 2009**

*Graphic Designer/Associate Vice President*

- Established in-house Graphic Design Department
- Worked closely with DTZ Rockwood leadership and design staff to create national and international marketing materials including brochures, invitations, newsletters, advertisements, and magazine-style property books
- Managed design process from conception through mechanicals and revisions, maintaining standards coordinated with external print and web vendors
- Redesigned entire Corporate Website
- Promoted to Associate Vice President after one year

**The Wall Street Journal, New York, NY May 2005 - December 2006**

*Associate ColorLab Manager*

- Initiated web-based job ticket system to streamline job posting process and facilitated knowledge transfer with design department
- Re-touched images to custom color profiles for cover and interior stories
- Photographed and edited an array of products for front page content
- Developed unified style guide standardizing numerous image-correcting and photographic techniques throughout production department
- Promoted to Associate ColorLab Manager after one year

**Rhizome.org, New York, NY September - December 2005**

*Technology Intern*

- Assisted lead programmer in redesigning and updating the non-profit's website
- Researched usability improvements and defined new website features

**Christo and Jeanne-Claude - The Gates, Central Park, NY January - March 2005**

*Team Captain, Installation and Removal (volunteer)*

- Elected Captain for Installation team of 8
- Installed record 135 gates in 5 days for world-renowned international artists
- Guided teams through physically rigorous process in poor weather conditions, facilitating communication and maintaining morale while creating results and having fun
